

## **Pralines and Cream Cocktail**

*From our Swizzle Stick column*

*This decadent frozen beverage is an adult version of the famous New Orleans confection. Its nutty flavors make a wonderfully rich dessert that's the perfect finish to a Louisiana-style dinner party.*

**MAKES 1 GENEROUS SERVING.**

- 2 scoops vanilla ice cream**
- 1 1/4 ounces vanilla-flavored vodka**
- 1/4 ounce walnut liqueur**
- 1/4 ounce hazelnut liqueur**
- 1/4 ounce amaretto**
- 1 tablespoon chopped pecans,  
for garnish**

Combine all the ingredients except the pecans in a blender and blend until thick and smooth. Pour into a stemmed glass and garnish with pecan pieces. Serve immediately with a straw or spoon since this is not a beverage that can be sipped delicately.
